

PRODUCT DESCRIPTION

All-purpose release agent for the processing of thermoplastics, thermosetting plastics and elastomers. The silicone-free, high quality mixture from purely natural oils offers excellent separating and sliding properties and ensures safe demoulding of injection moulded or blow moulded plastic parts.

ADVANTAGES

- » Silicone-free
- » Excellent sliding and separating properties
- » Can be printed on, glued or painted
- » Non-spreading

APPLICATION

Shake can well before use. Spray from a distance of 25 cm.
